

SOUTH EAST ENGLAND REGIONAL ASSEMBLY PLENARY MEETING

Date: 1 March 2006

Subject: **Agenda Item 4 – Proposed amendment to Policy H1 and
SCT7**

Proposed by: Cllr Liza McKinney, Adur District Council

Alongside Adur's housing growth allocation figure of 2,600 the policies should include the following footnote :

‘This figure includes 500 dwellings at Shoreham Harbour, as part of the strategic regeneration of the Port’

This amendment would be consistent with the way similar issues have been addressed through the footnotes in these two policies reflecting the specific circumstances in other areas.
