Date: 1 March 2006

Subject: **Resolution: Agenda Item 6 - Report on the Regional
Economic Strategy Consultation - Conformity with the
South East Plan**

Proposed by: Robert Hamlin, RAISE

In the event that the plenary should devolve responsibility to the Executive Committee to give the Assembly's approval to the Regional Economic Strategy, this Assembly requests that the Executive Committee should test the final version of the RES for consistency with the South East Plan, paying particular attention to Housing and Aviation issues.

The Executive Committee should only agree to endorse the RES if it is fully satisfied that the RES is in compliance with the South East Plan.
