Dear Pam,

**REGIONAL ASSEMBLY RESPONSE TO SEEDA's CORPORATE PLAN  
CONSULTATION**

Please find enclosed the Regional Assembly response to SEEDA's Corporate Plan consultation. As you will be aware it was prepared following our Select Committee on 13 February and was endorsed by our full Assembly meeting on 5 March.

I was pleased to hear your responses to a number of our key concerns at the Plenary. I trust you will be giving further consideration to all our comments as you finalise the Plan.

*As ever*  
*Keith*
