### Post – Publication Corrections and Errata

#### 1 Schedules of Changes p177 and Companion Document p 88 ;Table 7 of Appendix A.

Delete existing Table title and replace with ;

'Table 7. Indicative interventions noted by the Regional Transport Board in 2006 as having potential for being started early in the post 2016 period, and subject to RTB advice and Government response to any post 2016 Regional Funding Allocation round.'

#### 2 Schedules of Changes p106 and Companion Document page 63

In Policy H1 Table H1a there is an error in the distribution of housing in Aylesbury Vale District and Milton Keynes Borough between the Milton Keynes/Aylesbury Vale sub-region and the 'Rest of Buckinghamshire'. This does not affect the totals.

In Table H1a in the Schedule and Companion Document

##### **Milton Keynes/Aylesbury Vale**

Net Dwelling Completions	Average Annual Provision	Total Provision
Delete	<u>3,573</u>	<u>71,460</u>
Replace with	<u>3,693</u>	<u>73,860</u>

##### **Rest of Buckinghamshire**

Net Dwelling Completions	Average Annual Provision	Total Provision
Delete	<u>305</u>	<u>6,100</u>
Replace with	<u>185</u>	<u>3,700</u>

#### 3 Schedules of Changes and Reasoned Justification pages 121 to 132

The reasoned justification for proposed changes in some local authority housing provision refers to phasing. The Proposed Changes do not include proposals for phasing and these comments are therefore redundant and should be deleted. There are also typographical errors

P125 Hart 1<sup>st</sup> sentence Delete 'within the first phase of the Plan.'  
Delete '600' Replace with '400'

P130 Test Valley Last sentence Delete 'and phased to the first half of the plan period';

P126 Milton Keynes 5<sup>th</sup> para Delete '8'. Replace with 'development east of the..'

#### 4 Schedules of Changes p 322 and Companion Document p 205

The references in Policy SH2 to the level of housing to be provided in the PUSH SDAs are incorrect

**Policy SH2** 1st bullets (i) and (ii) Strike through 'up to', before housing figures for Fareham and Hedge End SDAs, and add to Reasoned Justification 'For consistency with Policy H1 treatment of figures as a minimum - see page 111.'
