Erratum – Page 49

Issued 3 August 2009

Please note that in the Natural Resource Management table on page 49, there are errors in the Indicator Number and Data Report Page Number columns for the first two rows of Plan Policy NRM3.

They should read as follows:

Plan Policy	Policy Progress	Indicator	Latest Data	Indicator Number	Data Report Page Number
NRM3	T11	Population that are within water resource zones that are in deficit	2008-09: 19% or 1.5m	71	62
		Incidents of major and significant water pollution	2007: 58	73	64
