

Appendix 3 Results of South East Counties Poll

This Appendix sets out the results of the two questions included in the ICM survey for the South East Counties specifically about South Hampshire and which were posed to residents in the sub-region.

Q1. In the recent past South Hampshire has had a weaker economy than the rest of the South East, with slower job growth and lower average earnings. Over the next 20 years, do you think we in South Hampshire should....

Q2. A large number of new homes will be needed in South Hampshire over the next 20 years, with about half built on redeveloped brown field sites and half in green field areas. In which one, if any, of the following areas do you think building on green fields should be concentrated?
